Peer review

The the peergrading will be done in the peergrade.io platform, where you should also return the project. You can find link the the peer grading in MyCourses page of the course. If you are logged in to MyCourses you can also use this link: <https://mycourses.aalto.fi/mod/lti/view.php?id=1043129> directly (and then click *open in new window*).

The deadline for the project is 26th of May. You can start the peer grading after the project deadline. The deadline for peer grading is 2nd of June (at 19.00).

Mark peer review done

Question 1 0 / 70

Once you have completed peer-review go answer “Yes” here. If you don’t want to do the peer review and lose the 70 points, mark “No”. Note that the result will show as “incorrect” and you will get 0 points initially, but the points are updated here after the manual grading.
