# Returning the project

The project will be returned via the peergrade.io platform, where the peer grading will also take place. You can find link the the peer grading in MyCourses page of the course. If you are logged in to MyCourses you can also use this link: <https://mycourses.aalto.fi/mod/lti/view.php?id=1043129> directly (and then click *open in new window*).

The deadline for the project is 26th of May. You can start the peer grading after the project deadline.

The project should be returned as a single pdf file.
