CS-E4730 / 6. Week: Introduction to the project / 6.3 Returning the project

Returning the project

The project will be returned via the peergrade.io platform, where the peer grading will also take place. You can find link the the peer grading in MyCourses page of the course. If you are logged in to MyCourses you can also use this link: https://mycourses.aalto.fi/mod/lti/view.php?id=1043129 directly (and then click *open in new window*).

The deadline for the project is 26th of May. You can start the peer grading after the project deadline.

The project should be returned as a single pdf file.

Points **0 / 300**   My submissions **9 / 99** ▾   🕐 Deadline Friday, 26 May 2023, 19:00
👤 To be submitted alone

Return project here

Question 1 **0 / 300**

Once you have completed the project and returned it go answer "Yes" here.

- ⦿ **Yes**
- ◯ No
- ❌ Incorrect
